JUDGE DIXIE PARK
STARK COUNTY PROBATE COURT

The Trustee has requested additional fees of \$1300.44 which fees have been approved by the Court.

James A. Corley, life beneficiary of the Trust died in late Summer 2009. I believe that 6 1/2 years is more than enough time for the Trustee to finalize the Trust and make final distributions to the beneficiaries.

In the 15 months covered by the last accounting (copy attached), the only items of note are \$108.48 to the Probate Court, \$250 for a bond, \$135. to a CPA for the 2014 return and \$5379. in Trustee's fees.

I do not believe that this extent of effort on the part of the Trustee warrants an additional fee of \$1300.44.

However, I will not object to these fees provided that the

JD

Court order, or the Trustee voluntarily agree, that the Trust will be finalized and closed without further delay or diminution of corpus other than 1. The \$1300. fees requested and 2. A reasonable allowance for the filing of a final tax return (Note, \$135. is the historic figure).

The corpus balance should and must be distributed to the beneficiaries in accordance with the Trust without further delay on the part of the Trustee and without further fees beyond the amount above.

Based on the Trustee's history of delay, I do not believe that we will achieve this outcome without a Court Order

Thank You, your Honor

Respectfully Submitted
